TESTIMONIALS

We take pride in delivering exceptional floral quality and customer satisfaction, and these testimonials serve as a testament to our commitment to excellence.

"I can't recommend Ray's Florist enough! They made the whole experience so effortless especially during a time when my family and I were grieving and had to focus on preparing for the funeral in a tight timeframe. The display of florals over the casket, church bowls and open sprays are truly divine and a beautiful way to celebrate the life of my Grandma!"

----- Rowena

"I just want to say Thank you so much again for all your help and also how stunning the heart & wreath with the white roses you did for my Auntie's funeral yesterday was. I absolutely loved it. Also thank you for your wonderful customer service skills which is very rare these days."

----- Donna

"The flowers for my mother's funeral were magnificent. My mother was a passionate gardener where people would stop to take photos in front of her garden and Ray's florist understood and took onboard exactly what we needed. I could not fault the absolutely amazing flowers nor the service we received."

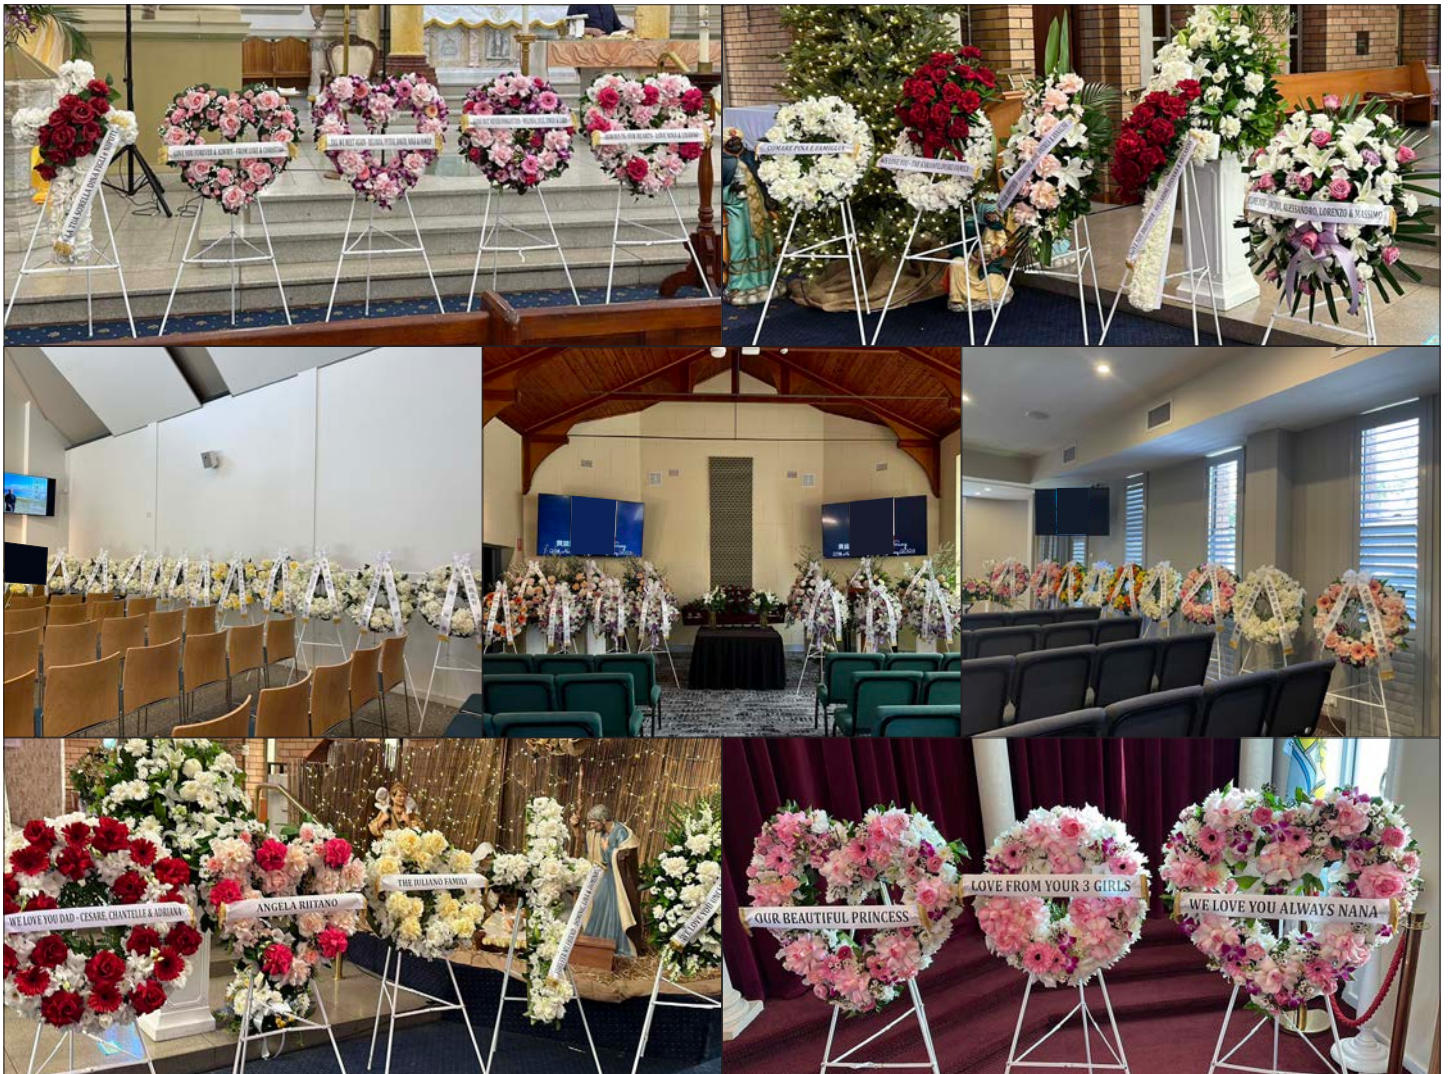

----- Silvana

"I would highly recommend this florist for any order. Exceptional customer service during a sad time plus beautiful flowers. The price is reasonable for a funeral wreath and it ended up looking so much more beautiful than in the photo online. Yes, they delivered it on time too - before the funeral."

----- Jeni

"I believe you provided the flowers for my mother's funeral yesterday. I just wanted to write and thank you they were incredibly beautiful and really outstanding. If it had have been appropriate to take photos at a funeral I would have for sure. Many thanks."
